

**American Oak Small
Batch American
Whiskey (Batch 1)**

40%

Youthful and light, with aromas of vanilla-scented candle, coconut, pastry cream, almond shell, and prominent alcohol. The palate is nearly neutral, showing reticent flavors of vanilla, butterscotch pudding, and lemon cake, with the alcohol again quite evident. The finish is barely there: a bit of toasted oak and wood sugar.

—Vol. 29, #3
