

Amrut Bagheera Sherry Cask 

46%

With the magnificent Mysore Palace on its label, and a nose of *garam masala*, overripe banana, coffee bean, hazelnut, and prune juice, this is definitely an Amrut to experience. Flavors ebb and flow through cereal notes, Agen prunes, raisins, vanilla essence, dried fruits, stewed apple, and dark autumnal fruits, all underpinned by glittering spicy base notes. It finishes with cola-flavored candy, dwindling sweetness, and encroaching leathery notes. *(Editors' Choice)*
