Briny smoke integrates with sweet bakery aromas: vanilla, streusel, ginger-spiced pound cake, cinnamon, and allspice, studded with nuts and dried apple. With water, butterscotch oozes out. The palate's silky texture is an ideal base for warm vanilla, toasted nuts, toffee, and milk chocolate, swirling with iodine peat and gentle gingerbread spices. The finish is complex, compelling, and quite lengthy with ginger, white pepper, allspice, saline, coffee grounds, dried apple, and lingering smoke. *(Collectible)*
