Rum Cask

57.3%

This is one of those delightful whiskies where the aromas leap from the glass; a battle of citrus between lime, pineapple, and clementine, obvious rum notes, and a strong hit of pepper. A fast-paced turnover of brown sugar, candied lemon and lime slices, vanilla fudge, pepper, and ground ginger flavors, while the latter stages race through nectarine, pear, banana-flavored candy, tropical fruits, and notes of cookie dough. Utterly electrifying! €100
