Initially soft and reticent on the nose, with water revealing the sweet maltiness of a vanilla shake, as well as buttered toast, almonds, and melon. A smooth creamy palate shows honey, blueberry pie, and vanilla ice cream. Baking spice and more pie notes emerge, along with toasted walnuts, bitter coffee, chocolate, and a finish of cinnamon-sprinkled vanilla custard and baking spice. A hot one, even with water, but loaded with well-integrated flavors.
