

Woodinville Oloroso Sherry Cask Finished

47%

Looking into a glass of this dark bourbon can be mesmerizing, especially when combined with its alluringly sweet aroma, which urges you to take a sip. There's a charry wood influence to this whiskey, which offers flavor-laden notes of rich coffee bean and jammy dark fruit, buttressed by tannins of leather and cigar box cedar. A delicious, enticing drink that more than lives up to its handsome appearance. (*Distillery*
