

Goodwood Honey Ale
Barrel Finished
Kentucky Straight

45%

Licorice, root beer, and ripe dark fruit aromas, with dried tobacco leaf, savory musty oak, and cedar wood. The palate is closed at first, but then lets fly with a peanut blast—peanut oil and peanut butter, with peppery spice and bitter espresso. Water releases fresh grapes and red apples, with the spice lingering. The finish offers roasted peanuts and pleasant earthiness. Unusual, but appealing.

—Vol. 30, #4
