

Woodinville Port Cask Finished 

45%

Molasses, brown sugar, roasted nuts, cinnamon candies, baking spice, and cherry cough syrup on the nose. Warm bakery notes intensify with water in the form of cinnamon bun. The palate is silky and thin, but quite fruity and honeyed, with baked apple, cooked blueberries, and added spice. There's more spice on the earthy finish, with bready corn muffin sweetness. Water helps to round things out.
