A perfumed nose showcases  
potpourri, lavender, lemon,  
licorice, cedar chest, and with  
water, orange slices, lemon-lime,  
dried flowers, and spring forest.  
The palate is creamy, with more  
loud lemon flavors, generous  
pepper and oak influence, tart  
stone fruits, and sweeter nutty and  
dark chocolate notes with water.

The fleeting finish has more  
peppery spice and tangy oranges,  
and also improves with water, as  
cherry and vanilla custard emerge.
