

**Gordon & MacPhail
(distilled at Caol Ila)**

**cask #12903, 1998 vintage, 8
year old, 46%**

Not immature, but very intense and unabashed. Sweet barley notes and vanilla are beaten up by coal tar, damp kiln smoke, and fiery spice on the finish. For those who like their Islay whiskies young. Very young. I would have waited a couple more years before bottling this one. Pure testosterone. (Bottled for Maxwell Street Trading Co.)
