

**High West Rendezvous**   
**(Batch 21030)**

**46%**

High West's flagship rye has transitioned from being a year-round offering to a limited seasonal release, containing 20% of High West's own-make malted rye. Dried flowers, new leather, orange peel, and spiced oak duel with sweeter flavors of gingerbread, *pfeffernüsse*, and mint chocolate-chip ice cream. Hot and spiced overall, with classic rye notes of dried herbs, tropical fruits, bitter chocolate, brown sugar, and caraway all holding court.
