

Gordon & MacPhail
(distilled at Rosebank)
cask #1536, 1991 vintage, 13
year old, 59.3%

Matured in a refill sherry cask. (A first-fill sherry cask would have completely dominated Rosebank's delicate flavor profile.) With the addition of water (which is necessary), the whisky becomes quite cloudy. Rosebank's traditional honeyed vanilla, grass/hay, and soft fruit are accentuated by lightly sherried, soft toffee flavors. An interesting whisky, but the flavors are not clean and well-defined enough to warrant a higher rating.

—Vol. 17, #3
