Strength (2021  
Release)**

**54.2%**

Rich, malty, and bursting with pot still spices, time enables the appearance of deeper layers of toffee, Brazil nut, cherry, sultana cake, espresso foam, and the aromas of a dark cigar wrapper.

Mouth-filling flavors of dark caramel, nuts, orange, clove, milk chocolate, and toasted almond, with firecracker pot still spices. A drying finish with malt, amaretti, and espresso. This is epic stuff.
