The nose is refreshing and
uplifting; waxed lemons, white
pepper, snuff, jellied fruits, pine
needles, florals, and soft vanilla
ice cream indicate first-fill bourbon
barrels. It takes a while for its
wings to unfurl, slowly revealing
nougat, lemon sherbet, toffee,
vanilla, walnut, and pepper
flavors, then roasted coffee beans,
dark fruit, baked peach, and plain
chocolate; however, the
fluctuating flavor trajectory
doesn't all quite link up.
