

**Gordon & MacPhail
Generations 80 year old
(Distilled at Glenlivet)
44.9%**

The nose is fragrant with black cherry, black currant cassis, apricot stone, pressed flowers, creamy caramel, beeswax polish, leather, and a touch of smoke. Sweet creamy texture of caramel-drizzled dates, elegant sherry notes, citrus peel oils, menthol, soft peppery spices, and a faint trace of pipe smoke on the finish. The lack of heavy oak tannins from a cask filled in February 1940 is as remarkable as this whisky.
