

Basil Hayden Toast

40%

Made with brown rice and finished in toasted barrels. Cereal grains with freeze-dried strawberries on the nose as well as toasted herbs, blueberries, and fruity bubble gum. The palate is creamy and light, with notes of strawberry yogurt, bitter chocolate, and burnt sugar. A syrupy finish brings custard, tiramisu, and caramel flan. It is atypical in its profile and at times light bodied, but demonstrates good constriction and drinkability.
