Sweet scents of candied apple and caramel on the nose. The palate offers cinnamon Red Hots, bananas, cherry, allspice, and toasted oak. It's hot but well knit, with emerging notes of candied nuts, buttered popcorn, and black pepper. Creamier with water and still flavor-packed, with emerging country fair notes of hay and cotton candy. A long finish brings melted caramel, candied cherries, and spice, against savory hints of cigar ash and barrel char.
