

Redbreast Pedro Ximénez Edition

46%

This first limited release in the Iberian Series deploys a 12 to 22 month PX finish to great effect.

Deeply fruity with red cherry, damson, dried vine fruits, soft licorice, nutmeg, cooking chocolate, and golden fleshed plums on the nose. An exceptional Redbreast with more finesse than Redbreast Lustau: beautiful oily pot still texture with succulent raspberry, red currant, plum, cherry, and black tea flavors, with control shifting later to the spices.
