

**Knappogue Castle 1995 vintage**

**40%**

The newest vintage from Knappogue Castle and, like the past two vintages, this one is from Bushmills. More maturity and oak influence when compared to the 1994. Floral, with creamy vanilla, toasted oak, honeyed malt, citrus fruit, and marshmallow. Soft, creamy finish with delicate oak spice. A clean, very drinkable whiskey, and my favorite of the post-Cooley Knappogues.
