

Langatun Old Deer

58.5%

Despite generations of brewing and distilling experience, Langatun's modern era of whisky making only began in 2007. This triple distilled whisky was matured in sherry and chardonnay casks, and has a nose of melon and stone fruits on new leather, floral notes, fresh cranberry, bramble, allspice, and Red Vines. Flavors of citrus, dark toffee, chocolate, and gingersnaps collide with black pepper, clove, licorice, and leather to finish.
