

**Rosebank 30 year old
1990 (Release 1)**

48.6%

The first Rosebank on the path to the distillery reopening is buttery and golden with rich vanilla, notes of lemon-zested lemon meringue pie, honeycomb, polished oak, marzipan, and a pinch of wood spices. This is a classic Rosebank, a soft, intimate dram with sweet almonds, butterscotch, grapefruit peel, gooseberry bitterness, background spices, and a finish of pear and vanilla. Welcome back Rosebank, it's been too long. (300 bottles for the U.S.) *Collectibles*
