

Danfield's Limited Edition

21 year old, 40%

Light on the nose, with creamy vanilla, honey, soft oak, and delicate tropical fruit. Similar follow-through on the palate. I like how creamy and clean it is -- especially for 21 years old. It's a light whisky, the kind that 21 years in the wood could have put a hurtin' on, but it didn't. An enjoyable Canadian whisky. (Exclusive to the Canadian market.)
