

**Michter's US*1 Small
Batch Unblended
American Whiskey** 

41.7%

Layers of sweetness: concentrated vanilla, marshmallow, taffy, white chocolate and caramel. Subtle, underlying fruit. Palate: Again the layers of sweetness, but not to the point of being cloying or unpleasant—underlying notes of oak and minty, resinous spices emerge mid-palate and cut through the sweetness to keep it from dominating too much. Sweet and spicy finish.

—Vol. 12, #4
