

**Blackadder Raw Cask  
Red Snake [Cask ref:  
Redneck 110]**

**61.9%**

Refreshing clean citrus notes on the nose, with zested lemons and limes, lemongrass stalks, candied fruits, honeysuckle, and eucalyptus. Mouth drawing at cask strength, with citrus, ripe apricot, creamy toffee, and a hint of grapefruit peel, followed by a sustained alcohol peak; mellow, not combative, leaving Oreo cookies, raisins, and dark toffee flavors. Add a few drops of water because the integration of fruit flavors and dark sweetness is heavenly. (213 bottles, Glass Revolution Dram Hunter Selection U.S.A. Exclusive Release)
