

Colkegan

46%

Menthol and pine on the nose, as well as incense, earthy sandalwood, iced tea, candied lemon, and a hint of candle wax. A smooth palate offers a sweet note of peat integrated with baked apple, orange, coffee, and cracked pepper. A rich, long finish has great balance, with lemon pound cake and fresh melon. Well textured throughout, this is creative and expressive.

—Vol. 30, #4
