

**Wheel Horse Straight (Batch 1)**

**50.5%**

Made at Green River Distilling Co. in Owensboro, Kentucky, this shows maturity far beyond its 2 to 4 years in the barrel, with a winning combination of proof and price. Root beer spice, candied pineapple, wet walnuts, clementine, and Christmas cookies on the nose. A velvety texture on the palate brings butter pecan ice cream, cinnamon toast, maple syrup, and vanilla custard. There is tremendous length on the finish, with a cola-like syrupy sweetness throughout. As debuts go, this one impresses. [Number 19 in the 2021](#)
