

**The Whistler Imperial  
Stout Cask Finish  
(Batch 002)**

**43%**

Deploying sherry casks seasoned with O'Hara's Brewery's stout, this delivers a delightful balance of fresh fruit and chocolate notes, with aromas of sweet vanilla, malt, coffee, orange, and melon.

Charming sherry and light berry notes initially, a beautiful slow-paced development from the stout influence ensues, as the texture thickens satisfyingly with citrus, gentle spices, vine fruit, ginger nuts, crystalized pineapple, malty chocolate, and mocha.
