

Cutty Sark 12 year old

40%

Returning this stalwart, the first new Cutty Sark since La Martiniquaise took charge of the ship, seemed a safe bet, but they've done it so well. Apricot, golden sultana, caramel, honeydew melon, honey, and vanilla meet cumin, cardamom, Parma violets, and orange jelly bean aromas. Richly flavored but lightly textured, there's lemon bonbon, sugar-dusted churro, vanilla custard, cinder toffee, hazelnut, and sharp apple acidity. It's like sunshine rippling on the ocean.
