

Waterford The Cuvée

50%

Crisp red apple, tangerine peel, lime zest, pink stems of rhubarb, green banana, and hints of gooseberry make for a fruity proposition; in fact, one of the freshest whiskeys I've ever nosed. Apple remains the core flavor, with pepper, clove, ginger, aniseed, fudge sweetness, and a final flourish of red berries. Water coaxes out watermelon juiciness and mollifies the spices, turning this into a delectably refreshing sipper. (10,000 bottles for the U.S.) [Editor's Choice](#)
