

GlenDronach 50 year old

43.8%

The oldest GlenDronach expression ever released, matured in two separate sherry casks—PX and oloroso—then married and finished in a single PX cask for 1 year. The age is apparent from the mahogany color. A sumptuous nose is laden with aged sherry and layers of baked dark fruits, black cherry, and peach pie. Wild berries and dark chocolate truffle cake punctuate the palate, with overtones of cigar box and rich espresso. (198 bottles) [Collectibles](#)

—Vol. 31, #2
