This brings together a multitude of oddball grain notes for a fantastic nosing and tasting experience. Aromas of new leather, pineapple, new sneakers, fresh-cut grass, lemon zest, fuchsia, honey, lavender-scented candles, and soft oak. The flavors revolve around dark berries, leather, hazelnut praline, black currant cassis, condensed wood sugars, pepper, and ginger, and then wallow luxuriantly in melted chocolate followed by a dry finish. Grain, glorious grain. (152 bottles)
