

Barrell 16 year old Gold Label

56.77%

Black cherry tartness, new leather, and clove-studded orange, along with bubble gum, cream soda, and chocolate layer cake sprinkled with cocoa powder. Flavorful and spicy on the palate, showing strawberry, baking spice, and cinnamon bun, with the flavors holding together superbly. Definitely needs water. A long, balanced finish offers generous helpings of cinnamon and more chocolate. Very high proof, but does not hide behind it—a well-built whiskey. (5,100 bottles)
