

### I-Bourbon

43%

This Tennessee bourbon brings a lot to the table, opening with a nose of bubble gum sweetness and spicy complexity. Cloves, cinnamon, and brown sugar mingle with raisins and raspberries. The palate is balanced and the flavors are well integrated with strawberry jam, raspberry iced tea, peanuts, and black pepper. Water highlights fruity and jammy sweetness. The finish balances spice and fruit with good length. (17,000 bottles)
