

**Bowmore 16 year old
1992 vintage Wine
Cask-Matured
53.5%**

Aged for six years in bourbon casks, then aged an additional ten years in Bordeaux wine casks. Classic Bowmore peat smoke and red berried fruit (raspberry, strawberry) are the main components of this whisky, with additional notes of plum, grape skin tannins, currant, caramel, and marzipan. Good grip from the Limousin oak (wine casks). Some brine and damp cellar notes emerged occasionally, with the smoke lingering long on the finish.
