Plentiful citrus on the nose—lemony and bright, showing sweet notes of manuka honey, maple syrup, and custard. The palate is honeyed and smooth, with vanilla and buttered French toast, but it's also spiced and offers dark-chocolate mint and coffee. A mid-length finish has overtones of orange peel, vanilla milkshake, and spice. Very balanced and delicious overall, perhaps only slightly lacking in length and depth. (3,000 bottles)
