

Widow Jane Oak & Apple Wood Aged

45.5%

An inviting vanilla swirl of whipped cream and marshmallow starts things off on the nose, balanced against fresh oak and grain, cherries, chocolate, and cola. Tasty spice and good balance on a palate that also offers milk chocolate, vanilla cream, and black-cherry ice cream. A long, smooth finish brings licorice, dark chocolate, and spice. A flavorful whiskey that integrates alluring spice notes, candied sweetness, fruit freshness, and rich chocolate.
