

**Noah's Mill 15 year old**   
**Batch 442**

**57.15%**

The oldest of the four in years, and also the highest in alcohol. It has managed to maintain its balance of flavors and keep the oak notes from becoming too dominant. Bolder and more masculine than Rowan's Creek, but not as teasing or seductive. Still, it's a great effort.

—Vol. 14, #2
