

**Hogback Wallace  
Collection Single Barrel  
(Barrel 1)**

**63.2%**

On the nose this whiskey melds orchard and tropical fruits with cocoa and cinnamon. The kiwi and lime custard aroma playfully bounces off notes of black-and-white milkshake. It delivers a beautifully textured palate, with a spot-on balance of spice and heat. Apple pie with an abundance of cinnamon tucks in with roasted peanuts and honey. The finish recalls the chocolate of the nose and the palate's fruit and spice.

(222 bottles)
