

**The Whistler Calvados
Cask Finish (Batch 002)**

43%

Juicy orchard fruit, vanilla pod, creamed coconut, light floral notes, and white chocolate on the nose. Those Chateau du Briel casks impart a velvety texture of vanilla, apple pie, double cream, cinnamon, and a spicy finish. Certainly no apparent difficulties matching the quality of the first batch, as this bottling achieves a fine harmony with imperceptible shifts between the flavors: It feels like time stands still when you sip. (3,000 bottles for the U.S.)
