

Miyagikyo Peated 48%

Watch out, because Miyagikyo has moves you've never seen before. Smoke builds as you nose, from sweet smoke, caramel, and vanilla to bonfire smoke with savory and spicy elements, tarry ropes, and semi-sweet chocolate chips. A multi-faceted tasting experience with sweet vanilla, chocolate, malt, spice, and cocoa, then cherry, raisin, and baked citrus, with a huge chewy mouthfeel and unrelenting flavor delivery through to the finish.
