Toasted cereal, honey, almonds, rich fruit, and peat smoke on the nose, with well-integrated spices, smoked meat, and a pleasant oily sensation. Well-structured on the palate, with orange taffy, walnut, marzipan fruits, buzzing spices, bitter fruit stones, dried grapefruit, and a lick of smoke, followed by a smooth dry finish with bitter orange flavors. Built around Cragganmore, this really dazzles when poured over a large cube of ice. *Best Value*
