

## **Bushmills 12 year old**

**40%**

Bushmills has developed considerable experience in marsala cask finishing, so this release marks a distinctive new addition to the spectrum of flavors of their core range. Dark, sweet, juicy aromas of plum, damson jam, clove, peppercorn, citrus, mixed peel, grilled peach, sultana, and walnut oil precede a full-bodied whiskey with flavors of date loaf, sweet fig, chocolate orange, oak tannins, black tea, walnut, sweet wine, and runny honey. *Editor's*
