

## Hard Truth Sweet Mash Barrel Strength

57.6%

An ode to dessert, this is a deluge of decadent flavors: pie crust, apple pie, baked apples, cinnamon sugar, and banana bread waft up from the glass, all joined by the faintest hint of pickle juice. Such indulgence carries on to the palate, where there's French toast dusted with powdered sugar, balanced by a nice kick of cinnamon spice. The finish, led by pickles and pumpernickel, sizzles at first, but subsides sweetly into softer flavors. (66,000 bottles)
