

**Angel's Envy Ice Cider  
Cask Finished**

**53.5%**

Casks that once held ice  
cider—sweeter and stronger than  
traditional cider—are used to finish  
this 7 year old rye, and they seem  
to have made a lasting, sugary  
impact on the whiskey. A vanilla  
aroma calls you in, and the rye's  
notes of coffee bean and spicy  
ginger are wrapped in an envelope  
of an almost cloying flavor,  
reminiscent of a sweet cereal.
