

Cascade Moon 13 year old

50%

Butterscotch hard candies, Bit-O-Honey, and sweet marshmallow appear on the nose, which is surprisingly delicate despite showing obvious alcohol. The palate offers warm cereal sprinkled with brown sugar, plus vanilla, toffee, and spice, before a finish of earthy and leathery oak with notes of dark cocoa and peanut skins. Distilled at MGP in Indiana and released by Tennessee's Cascade Hollow Distilling Co.
