

## Great Jones

45%

Earthy notes of tree bark and topsoil mingle with fruit punch, melon candy, and soft spice on the nose. That spice is more pronounced on the palate, which is silky and papery with brown sugar, brown paper bag, and cinnamon stick. The finish shows tangy citrus and bitter oak. The component parts are solid on their own, but together present as a bit disjointed and disparate.

—Vol. 31, #2
