

**Uncle Nearest Master Blend Edition**

**59.2%**

Made from a special selection of barrels chosen by master blender Victoria Eady Butler. The nose is fruity and sweet with candy apples, raspberry danish, and iced lemon pound cake. Water brings out dried leaves and chocolate brownies. There's more sweetness on the palate in the form of raspberry lemonade as well as a subtle tartness. Those qualities carry over to the finish. Well-made, with tasty concentrated flavors throughout.
