

**Sweetens Cove
Kennessee Finished
with Toasted Sugar
Maplewood
55.35%**

A blend of whiskeys from Kentucky and Tennessee. Nuttiness pairs with jammy fruit on the nose in the form of peanut butter and jelly sandwich, blueberry pancake, and strawberry milkshake. The palate adds baking spice to the mix, with berries in syrup and cinnamon babka notes. Baking spice lingers on a satisfactory finish. Sweet and savory breakfast notes highlight a robust whiskey that is palatable neat and amenable to water.
