

**Chicken Cock 20 year  
old Cotton Club**

**50%**

Bright and fruity from the start, with maraschino cherries, fruit snacks, and orange peel. There's a light tropical note too, with tart and tangy kiwi and pineapple adding spark to the other sweet fruits. On the palate, the whisky shows the influence of 20 years in used bourbon barrels, with mint chocolate-chip and vanilla ice cream smothered in Hershey's syrup. The finish turns cool and mintier.
