

## **The Whistler Mosaic Marsala Finished**

**46%**

Orange water, clementine, marmalade, florals, and an abundance of sweet grain notes on the nose, but the aromas feel clustered, with less complexity than other Whistler bottlings. It's a bright, refreshing, easygoing sipper, light to medium in body with flavors of orange fondant, sweet grain, lemon peel, vanilla, satsuma, bitter lemon, and a finish of orange-zested cheese-cake. Ideal as a breakfast whiskey, or go-to bottle for summer cocktail refreshment.
